Queensland & Victorian Floods

Reece Australia advises that its Queensland and Victorian operations have not been materially affected by the recent flood events in Southern Queensland and country Victoria.

Thank-you to those of our employees who were directly impacted by the floods, for their actions and support in minimising the impact of damage and achieving an early reopening of our affected stores. All branches are currently trading.

On behalf of the Board and all Reece employees I extend our sympathies to the communities and people affected by the floods in Queensland and Victoria. Reece has provided support to flood relief efforts via the Red Cross with donations of \$150,000.
